

Kari Brill

Nonprofit Center Director of Business
and Program Development

How to you benefit the Gainesville Community?

I hold deep roots in this community; therefore I embrace a deep commitment and a great sense of pride for Gainesville. As a result, I encompass the passion and dedication to make Gainesville the best place to live for my children and for all who live in this dynamic community.

If you were to perform in the circus, what would you do? I would be a juggler, because that is what I am constantly doing with my life. In other words, like a juggler performs with bean bags or balls and has to keep his/her eye on it all to succeed. I am constantly refocusing my attention among numerous responsibilities, such as kids, work, school.
